## HOW TO MEASURE AND PICK THE RIGHT SIZE

### Chest / Bust measurement

Measure the circumference of your chest/bust below the armpit, measure the widest point.

example 1: if your chest measures 102cm, for polo shirt the most suitable size would be M.

example 2: if your bust measures 98cm, for ladies' polo shirt the most suitable size would be 12.

Note: some garments such as Softshell Jackets would have a slim fit and it
